

GROWING CLOSER TOGETHER

- 1) What was the first video game you ever played? Or, share one of your favorite board games you played growing up.
- 2) What invention or technology would you consider to be the most important in YOUR life?

MESSAGE REFLECTION

- 1) What is something from the sermon that stood out to you, convicted you, or inspired you?
- 2) Name one positive and one negative about digital technology.
- 3) How should discernment affect the way a Christian uses technology? (*Hint: Prayerful.Careful.Thoughtful.*)
- 4) How can technology suffocate God's ideal for your life?
- 5) Why do you think people are so quick to embrace new technology, inventions, or *wonder* drugs?

GOING DEEPER

READ – **Exodus 31:1-6 & 35:31-32, 35** together

- 1) What do these passages help us understand about God's relationship with technology?
- 2) How can we use technology "for the glory of God" according to I Corinthians 10:31?

READ – **Philippians 1:9-11** together

- 1) What jumps out at you from this passage?
- 2) In verse 9, Paul expresses his prayer that the Philippian church would abound more and more in love. How does love provide the basis for discernment in our lives?

LIVING IT OUT

Take an inventory of your use of technology. Ask God to show you if any of your digital things have become too great of an influence in your life. If they have, set some discerning boundaries and tell someone about those boundaries so you can have accountability.

PRAYER TIME – *Pray for the needs and requests in your group.*
