# Life Group Commitment

In order to get the most out of this study and create an opportunity for God to work in our hearts and lives, we will make the following five commitments for this six week church-wide campaign:

## 1. I will make this group a priority.

I will do my best to **be present** at life group every week. Even when I may not feel like it; I am making this group a disciplined habit for this particular season. I will not give in to easy excuses.

## 2. I will arrive on time and prepared.

I will do my best to arrive promptly at the agreed upon meeting time. I will have engaged with this past Sunday's message and any homework assignments before arriving to life group.

## 3. I will be an active participant.

I will be willing to answer the questions and discuss. I am willing to be open and vulnerable with the group. I also commit to allow others to share and **not dominate** the conversation.

## 4. I will respect the privacy of others.

I understand that whatever is shared in the group should remain inside the group. I refuse to participate in gossip or slander.

## 5. I will pray for and encourage others.

I will **pray for** those in my life group during the week and look for opportunities to build them up with love and encouraging words.

On this rock I will  
build MY CHURCH  
and the gates of  
Hell will NOT  
PREVAIL against it.

*~ Matthew 16:18*
