- 2) How do you think your life would be different if you didn't have the Bible translated into English? How might our nation be different?
- 3) Share ways that you can be a "translation" of Jesus to others.
- 4) How did Jesus model grace & truth in his life? How did people respond to the grace and truth he presented?
- 5) Why is translation work so important for the Good News to keep spreading?

LIVING IT OUT

Thank God for his written word in your language. Pray for those who don't yet have a Bible in their own language and that translation work would accelerate.
