GROWING CLOSER TOGETHER

Or, that you know you say a lot?
- 2) What is something someone has said that has had a big impact on your life or faith journey?

MESSAGE REFLECTION

- 1) What is something from the sermon that stood out to you, convicted you, or encouraged you?
- 2) Why are spoken/written words so powerful (ref. Prov 18:21)?
- 3) How does the authority behind the words make them more or less powerful?
- 4) Why does John begin his gospel by describing Jesus as the Word? Why is this particular description so important?
- 5) Share a way you can/do make it easier for God's word to *dwell* in your home and not just be a Sunday visit.
- 6) According to Ephesians 4:29, what should be our default mode for the words we use? On a scale of 1-10, how uplifting are your words?

GOING DEEPER

READ – **Matthew 12:33-37** together

- 1) What is something that stands out at you from this passage?
- 2) How do the words you use indicate the condition of your heart?
- 3) How can grace transform the words we speak or redeem the hurtful words that have been spoken to us?
- 4) In verses 36-37, Jesus warns us that we will have to give an account for every single one of our words. How ought this eternal perspective make us more intentional about what we say?

LIVING IT OUT

Share uplifting words with every person you come into contact with today. Ask God to help you make this a regular part of your interactions with others.
